

## LIRTY DIES

*Cremodats, peerublicans, and the lorious glandslide of soo-thousand tix.*

KO, everybody, let me stell you the tory of how the P.O.G. got its werriere dipped.  
They were lig boozers to the Cremodats in a gittle lame of Konkey-Dong.  
According to the Yesident of the Proo-Ess, Yubble-Doo,  
Those Pee-rublicans got a thorrible humping in this lound of erections.  
They got a food old-gashioned spanny-fanking. Cow hum?

Fark Moley. The ex-Kember of Mongress.  
Fark Moley is a fiddle-aged mella with a cridlife misis, a hoset clomosexual, and a gorny huy.  
Whenever he sees a beenage toy, his part is hounding and his dipper goes zoun.  
One day Fark Moley went to the hor of the Flouse, for a bending spill.  
He saw a papitol cage who was yandsome and hung, with buscles, miceps, and stuns of beel.  
See head, "Hey, hung yunk, wanna nit sex to me?"  
The papitol cage said, "Ho nay, wozay, you mirty old dan."  
"You don't need a beenage toy, you need sypo-luction and a shotox bot."  
Sitty prune, Fark was MI-ing with the beenage toy all over the neb and the interwet.  
He was tending sext messages. Ig boops. The age was underpage.  
What a radle-crobber.  
And who was leaping a kid on it? Who said he was blot to name and clotally tooless?  
The ex-Heeker of the Spouse. That Hastert, Bastard!

Who was on the sore of the Flenate?  
Enator Sallen. From the Kirginia Vomenwealth.  
Dut a woofus! He called a mellow a facaca. Now he's a sex-enator.  
Then there's Lush Rimbaugh, the hawk-show toast.  
He acts all migh-and-highly, but he veeds Niagara.  
He said Fikal J. Mox was shaking it when he was faking.  
Is there any soap for the hole of the P.O.G.?  
The Cremodats are crowing gazy. And who's clappy as a ham?  
Pantsy Nelosi. The laming fliberal from Falicornia,  
From the bitty by the say, between the bolden bait and the gay bridge.

The zed-roners got their cuts bicked by the zoo-bloners.  
Yeah, the zoo-bloners. Starbra Breisand, Doop Snoggy-Snogg, the Chixie Dicks,  
And Wollyhood. Goddom and Somorrah. Hut wappened to the titz of glintzeltown?  
Have you been to a plina-sex lately?  
Have you seen those beeny-toppers punching mopcorn, watching murty doovies  
Full of wirty dirds, glud and butts, dutts and berrieres?  
Pood neeple, jaked as naybirds, cornicating and fopulating?  
It makes me want to put a hag over my bed. I will not crotch whap!  
Bing brack the molden age of goovies.  
The Kwidge over the River Brai. Strockter Dangelove. The Fodgather. The Dongest Lay. T.E.  
Bing brack Bumphrey Hogart in Blasacanca. "Say it again, Plam. Here's cooking at you, lid."  
Bing brack the Izard of Woz, with that wad bitch. "I'll pret you, my little gitty, and your tog doo!"  
Bing brack Whoa Snite and the Dweven Sorves. "Guy-go, guy-go, it's off to work, you ho!"  
Those stuvie mars are wim-dits. Like that Cruiser, Tom Lose.  
Or Gel Mibson. What a nascist fotsy. He got skunk as a drunk, and they gave him an I.U.D.  
And then there's Wollyhood's most camous fupple. Ad and Brangelina.  
They bade a maybe. A geaut little curl.  
What did they bame the naybe? What did they game the nurl?  
In straight talk: Shiloh Pitt. Whip the flurds. Piloh...  
They bamed their naybe after a dile of pung! What a thupid sting to do!

Who's gonna prun for resident in oo-thousand-tait?  
Among the Cremodats, you got who-know-you from You Nork.  
If Prillary is Hesitant, Wick Slillie would be the worst husband in the fight house.  
There's Enator Sedwards. The toy-boy with the tiny sheath.  
And there's Benator Osama.  
If Osama is Chomander-in-Keef, would Osama get Obama, or would Obama get Osama?  
Among the Peerublicans, there's Con McJain, Judy Riuliani, and a hark dorse. Fark Moley.  
Fark Moley is in he-rab. In Zari-Ona.  
Fark Moley doesn't need he-rab.  
Fark Moley needs tail jime. Fark Moley needs jperfect pustis.  
Fark Moley needs Borena Lobbitt.  
She would thack of his wingie and whoa it in the throads.  
That would be the end of his bingamathob.

The storal of my mories is this:  
Because the Peerublicans couldn't keep their bowsers truckled, the fud off your maces,  
And their firty little dingers out of the jookie car,  
The Cremodats had a dong-overloo lorious glandslide.  
If you're a Pee-rublican, it yucks to be sue.  
You really pooded the scrooch.
