To the staff and cast of “The Capitol Steps”,

On behalf of the Suffolk Center for Cultural Arts, I would like to express our appreciation for the outrageously funny performance that graced our Birdsong Theater on October 9<sup>th</sup>, 2015.

The cast was truly a joy to host, both gracious and professional, and the audience was overjoyed to be able to speak to them after the performance. Please extend our gratitude to the cast for making a personal effort to engage our patrons!

Our audience members could not stop raving about the show:

*“What a wonderful show. Was so glad to be part of the audience. Great way to kick off the season!”*

*“Great show tonight with “The Capitol Steps” at the Suffolk Center for Cultural Arts... you took "cultural" to a new level in Suffolk. Thank you!”*

*“My face hurts from laughing so much!”*

The Suffolk Center is the cultural heart of our city, a place where our community can come together to live, laugh and learn through the uplifting power of the arts. Performances such as yours bring our patrons unforgettable experiences that they will carry with them for years to come.

Thank you for giving us such a memorable and successful start to our tenth anniversary season. We wish you the best of luck in your future performances. Keep putting the “mock” in democracy!

Sincerely,
