Dear Bill:

I want to extend my sincere appreciation to you and the rest of the 'Steps for helping to make our annual fundraising event so successful. This is the 7<sup>th</sup> year that The Arc has brought the Capitol Steps to Carroll County to entertain the community. Our event in Westminster has been selling out the past few years, and we've decided to add a second show at a new location. Over the years, this has become The Arc's "Signature Event" and has delighted hundreds of people who have attended the event in the past.

The proceeds from this event have enabled The Arc to grow its endowment fund that will help us meet the future needs of people with developmental and intellectual disabilities in our community. Also, our committee is appreciative of the assistance you provide with mailing lists, postcards, posters and CD's for our top sponsors. From signing the contract to the end of the show, it is a pleasure working with a wonderful group of professionals who truly value working with our organization.

Bill, again thanks for wonderful to work with and helping The Arc develop one of our community's most talked about and anticipated events.

Sincerely,

Donald Rowe  
Executive Director
